Universitas Negeri Medan

DIGITAL MARKETING

I am a Digital Business graduate from Universitas Negeri Medan with a GPA of 3.70, with skills in Google Workspace, graphic design, video editing, copywriting, and content creation. I am interested in developing my career in digital marketing, particularly in business strategy, digital advertising, SEO, and content marketing. I am eager to apply my skills, gain hands-on experience, and continue developing my knowledge in the digital marketing field.

KEY COMPETENCIES

- Copywriting & Content Planning
- Visual Content Design
- Analytics
- Social Media Management
- Keyword Research
- Graphic Design
